Trends and Future for Financial & Transactional Printing 2002-2012

Table of Contents

I.	EXECUTIVE SUMMARY.....	13
	Interviewee Trend Feedback.....	13
	Shift to E-statements.....	13
	Shift to Electronic Financial Documents.....	14
	Shift to Transpromotional Statement Printing.....	15
	Cause and Effect of E-statements on In-Plants and Transaction Processing Print Providers.....	15
	Other Influencing Factors on Printed Statements.....	17
	Equipment Manufacturer Outlook on Transpromotional Opportunity.....	17
	What Consumers Say about Transactional Documents.....	19
	Page Volumes and Manufacturer Revenues.....	21
	Transaction Page Volume Forecast.....	21
	Imprinting vs. Fully Digital Printing.....	21
	Digital Financial and Transaction Printing Revenues.....	24
	Implications and Opportunities for PRIMIR Members.....	26
	Film, Plate, and Analog Supplies Manufacturers.....	27
	Ink, Toner, Coatings and Chemical Manufacturers.....	28
	Paper and Synthetic Substrate Manufacturers and Distributors.....	29
	Traditional Press Manufacturers (Offset, Flexo, Gravure).....	30
	Post-Press Equipment Manufacturers.....	31
	Digital Press/Output Device Manufacturers.....	32
	Prepress Equipment and Software Manufacturers.....	33
	Print Firms and Trade Shops.....	34
	Transaction Processing Print Providers.....	35
	In-Plant Statement Printing Providers.....	36
	The Bottom Line.....	37
II.	INTRODUCTION & METHODOLOGY.....	39
	Introduction.....	39
	Scope.....	39
	Objectives.....	39
	Methodology.....	40
	Definitions.....	43
	Glossary.....	45
III.	MARKET SIZING.....	47
	AMPV in excess of 300,000 mono/80,000 color.....	47
	Electrophotographic or Inkjet Technology.....	48
	Cut-sheet or Continuous-Feed Paper.....	49
	Monochrome or Color.....	50

Applications	51
Sizing Methodology.....	51
Digital Production Printer Unit Sales	53
Monochrome	53
Color	54
Production Installed base	55
Production Pages Printed	56
Transaction-Related Pages.....	58
Digital Financial and Transaction Printing Revenues	62
Chemistry Revenue.....	64
Paper Revenue	68
Hardware Revenue.....	70
IV. TRANSACTION STATEMENT ECOSYSTEM WORKFLOW AND VALUE CHAIN.....	75
The Main Constituent of Financial and Transaction Printing.....	75
Financial and Transaction Statement Print Providers.....	76
The Technology Influencers	77
The Economic Influencers	81
Go-to-Market Influencers	83
Workflow Process and Cost Saving Focus.....	86
Software Requirements in Transaction Printing Process.....	89
Cost Saving Focus.....	90
V. INDUSTRY RESEARCH.....	95
Chapter Segmentation.....	96
Banking.....	97
Transaction Statements	97
Paper vs. E-statements	98
Factors Driving E-statements.....	100
Electronic Banking Statement Projections.....	103
In-plant vs. Outsourcing.....	105
Transpromotional Printing in Banking	107
Opportunity for PRIMIR Members in Banking Statement Printing.....	107
Financial Documents	108
Insurance.....	108
Transaction Statements	108
Paper vs. E-statements	110
Factors Driving E-statements.....	111
Electronic Insurance Statement Projections.....	112
Transpromotional Opportunity in Insurance.....	113
Opportunity for PRIMIR Members in Insurance Statement Printing.....	113
Retailers	113
Transaction Statements	113
Paper vs. E-statements	115
Factors Driving E-statements.....	116
Retailer E-statement Projections.....	117
Transpromotional Opportunity in Retail.....	117

Opportunity for PRIMIR Members in Retail Statement Printing.....	118
Utilities.....	119
Transaction Statements.....	119
Paper vs. E-statements.....	120
Factors Driving E-statements.....	121
Electronic Utility Statement Projections.....	122
Transpromotional Opportunity in Utilities.....	122
Opportunity for PRIMIR Members in Insurance Statement Printing.....	122
Financial and Transaction Printshops/Service Bureaus.....	123
Transaction Statements.....	123
Paper vs. E-statements.....	125
Factors Driving E-statements.....	126
Electronic Transaction Printshop Statement Projections.....	127
Transpromotional Opportunity in Transaction and Financial Printers.....	129
Opportunity for PRIMIR Members in Transaction Printshops Statement Printing.....	131
In-plants.....	132
Transaction Statements.....	132
Paper vs. E-statements.....	133
Factors Driving E-statements.....	133
E-statement Projections.....	133
Transpromotional Printing.....	134
Opportunity for PRIMIR Members in In-plant Statement Printing.....	135
Equipment, Supplies, and Software Providers.....	135
Digital Printer Manufacturers.....	135
Opportunity for PRIMIR Members in Selling Statement Printing Equipment and Supplies.....	142
Software Providers.....	144
Statement Presentment Service Providers.....	145
Other – Government/Regulatory Influences.....	147
US Postal Service.....	151
Implications for PRIMIR Members.....	156
Paper vs. E-statements.....	158
Factors Driving E-statements.....	158
E-statement Projections.....	159
Transpromotional Opportunity.....	159
Opportunity for PRIMIR Members in Selling Statement Printing Equipment and Supplies.....	160
VI. CONSUMER RESEARCH.....	163
About the Survey.....	163
Survey Demographics.....	163
Chapter Summary.....	165
It's a Paper-based World.....	167
Paper Documents Received.....	168
Would You Pay to Receive Paper?.....	177
One-third of promotional material not read.....	181

Transpromotional Printing.....	183
Why Yes: Want Offers Printed on Statements	185
Why No: Don't Want Offers Printed on Statements	185
Conclusions/Implications for PRIMIR Members	187
VII. IMPLICATIONS AND RECOMMENDATIONS FOR PRIMIR MEMBERS	189
Film, plate, and analog supplies manufacturers.....	190
Ink, toner, coatings and chemical manufacturers.....	190
Paper and synthetic substrate manufacturers and distributors	192
Traditional press manufacturers (offset, flexo, gravure)	192
Post-press equipment manufacturers	193
Digital press/output device manufacturers.....	194
Prepress equipment and software manufacturers.....	195
Print firms and trade shops	196
VIII. CONCLUSION.....	199
IX. APPENDIX.....	203
Worldwide Numbers.....	203
Consumer survey	208
Consumer Survey Questionnaire	209
Consumer Survey Response Data.....	213

Trends and Future for Financial and Transactional Printing 2002-2012

Table of Figures

Figure I-1 Transaction Pages Printed by Technology	22
Figure I-2 Mono vs. Two-/Three-Color vs. Four-Color Transaction Pages	23
Figure I-3 Financial and Transaction Digital Printing Revenues	26
Figure II-1 Industry Research: Who We Interviewed.....	41
Figure III-1 Sizing Methodology and Segmentation	52
Figure III-2 Production Printer Unit Sales by Type	54
Figure III-3 Production Printer Active Installed Base by Type.....	56
Figure III-4 Number of Production Pages Printed by Printer Type.....	57
Figure III-5 Transaction Pages as a Portion of Production Pages.....	59
Figure III-6 Transaction Pages by Printer Type	60
Figure III-7 Monochrome vs. Two-/Three vs. Four-Color Transaction Pages.....	61
Figure III-8 Financial and Transaction Digital Printing Revenues.....	64
Figure III-9 Digital Chemistry Revenues	65
Figure III-10 Transaction Pages Printed by Technology.....	66
Figure III-11 Average Chemistry Revenues per Page	68
Figure III-12 Average Paper Selling Price per Equivalent Letter-size Page	69
Figure III-13 Financial and Transaction Paper Manufacturer Revenues.....	70
Figure III-14 Share of Production Printers Dedicated to Financial and Transaction Printing.....	71
Figure III-15 Digital Printer Unit Forecast for Financial and Transaction Printing	72
Figure IV-1 Financial and Transaction Printing Ecosystem.....	77
Figure IV-2 Hybrid vs. Digital Transaction Printing Process.....	86
Figure IV-3 Examples of Common High-speed Transaction Printers	87
Figure IV-4 Example of Hybrid vs. Digital Hardware and Labor Costs	88
Figure IV-5 Software Requirements in Transaction Workflow.....	89
Figure IV-6 Language Types Submitted for Transaction Statement Printing	90
Figure IV-7 Cost to Put Statement in Recipients' Hands	91
Figure IV-8 Example of Bank Cost Savings Migrating to E-statements.....	92
Figure V-1: Estimated Banking Industry Migration to E-statements	99
Figure V-2 Large Banking's Push to E-statements	100
Figure V-3 Estimated Effect of New Customer Accounts on Paper-Based Banking Statements.....	104

Figure V-4 Estimated Effect of New Customer Accounts on Paper-Based Statements by Percent	105
Figure V-5 Estimated Insurance Industry Migration to E-statements	110
Figure V-6 Estimated Retail Industry Migration to E-statements for Store-Managed Invoices.....	116
Figure V-7 Utility Company: Bring Postcard Back.....	120
Figure V-8 Estimated Utility Industry Migration to E-statements	121
Figure V-9 AT&T and the 300-Page Phone Bills.....	128
Figure V-10 Estimated Transaction Printshop Industry Migration to E-statements	129
Figure V-11 A Perspective on E-processing Advantages and Disadvantages.....	146
Figure V-12 Electronic vs. Paper Check Transactions	149
Figure V-13 Automated Clearing House (Paperless Checks) vs. Other Electronic Fund Transfers.....	150
Figure V-14 Automated Clearing House (Paperless Checks) vs. Other Electronic Fund Value	150
Figure V-15 First-Class Mail Volumes	152
Figure V-16 Transaction Infrastructure Investment Timeline	156
Figure V-17 Sequence of Transitions in Statement Printing	157
Figure VI-1 Demographics Summary Table	164
Figure VI-2 Respondents Receiving Paper vs. Electronic.....	167
Figure VI-3 Top Five Financial Documents Received in Paper Format	168
Figure VI-4 Why Receive Paper	169
Figure VI-5 What Is Done With Paper Documents.....	171
Figure VI-6 Summary of Likes and Dislikes about Documents.....	172
Figure VI-7 Most User Friendly Transactional Documents	173
Figure VI-8 Least User Friendly Transactional Documents.....	176
Figure VI-9 Would Respondents Pay a Fee for Paper? (with open-ended responses)	180
Figure VI-10 Would You Pay To Receive Paper?	181
Figure VI-11 What Is Done With Promotional Materials	182
Figure VI-12 What Is Done With Promotional Materials By Age	183
Figure VI-13 Prefer Promotional Messages Printed on Statements	184
Figure IX-1 Production Printer Unit Sales by Type	203
Figure IX-2 Production Printer Active Installed Base by Type.....	203
Figure IX-3 Number of Production Pages Printed by Printer Type.....	204
Figure IX-4 Transaction Pages as a Portion of Production Pages	204
Figure IX-5 Transaction Pages by Printer Type	205
Figure IX-6 Financial and Transaction Digital Printing Revenues.....	205
Figure IX-7 Digital Chemistry Revenues	206
Figure IX-8 Transaction Pages Printed by Technology.....	206
Figure IX-9 Financial and Transaction Paper Manufacturer Revenues.....	207
Figure IX-10 Digital Printer Unit Forecast for Financial and Transaction Printing	207

Figure IX-11 Which Bills/Statements Are Received In Paper Form?	213
Figure IX-12 What Do You Do With These Paper Documents?.....	214
Figure IX-13 Which is the Most User Friendly Paper Document?.....	217
Figure IX-14 Which is the Least User Friendly Paper Document?	218
Figure IX-15 Why Do You Receive These Documents In Paper Form?.....	219
Figure IX-16 If the Senders Offered These Documents Electronically, Would You Switch?	219
Figure IX-17 If Charged a Fee, Would You Continue to Receive Paper?.....	219
Figure IX-18 What Do You Do With Promotional Material?	219
Figure IX-19 How Often Do You Take Advantage of Promotional Offers?.....	220
Figure IX-20 Do You Prefer Promotional Offers Printed Directly on Bills/Statements?.....	222
Figure IX-21 Which Do You Expect to Receive in Paper in Two Years?	222
Figure IX-22 Which Bills/Statements Are Received In Electronic Form?.....	223
Figure IX-23 What Do You Do with These Electronic Documents?	224
Figure IX-24 Why Do You Receive These Documents In Electronic Form?	227
Figure IX-25 Rate Your Overall Satisfaction with These Electronic Documents	227
Figure IX-26 Which Do You Pay Via US Mail?.....	228
Figure IX-27 Method of Payment	228
Figure IX-28 Expect to Pay via US Mail in Two Years.....	229
Figure IX-29 Demographics: Internet Connection	229
Figure IX-30 Demographics: Age Range	229
Figure IX-31 Demographics: Gender	230
Figure IX-32 Demographics: Income Range.....	230
Figure IX-33 Demographics: Education Level.....	230
Figure IX-34 Demographics: Marital Status	231
Figure IX-35 Demographics: Employment Status.....	231
